HISTORICAL AND BIOGRAPHICAL NOTES

The Women's Club of Jefferson City was organized on February 25, 1952 with a membership of 86 women. Officers were installed on March 26 and the first Club President was Mrs. Clarence W. Kemper. According to the Club's Constitution and By-Laws, "the object of this Club shall be intellectual growth of philanthropic advancement." Four years later on April 25, 1956, the Club was split. The original Club would meet in the evenings and the new Capital City Woman's Club would meet during the day. The Capital City Woman's Club fell in the 5th District of Missouri Federated Women's Clubs, which they joined on September 10, 1956. The Capital Club's

mission was more social in nature: “this club shall be to unite its members for study, sociability and service.” Both organizations were members of the federated group.
